

## Reduce Your 2022 Tax Bill

### By purchasing new or used equipment

The Section 179 Expense Provision allows a deduction up to \$1,080,000 with a \$2,700,000 cap on expenditures, as well as 100% bonus depreciation for new and used machine purchases. Simply purchase the equipment and make sure it is put into service before December 31, 2022.

*This information should not be considered tax advice. Consult your tax advisor or the IRS for additional information.*

## New Toyota Forklifts in Stock Now!

### Internal combustion (IC) pneumatic and 3 wheel electric models

Work fast and move more loads in fewer passes with max travel speeds of about 9 MPH to 11 MPH, quick lifting and lowering, and 3,000 lb to 5,000 lb lifting capacities. The three wheel design of the electric models helps you maneuver easily in tight indoor areas, while pneumatic tires on the IC models allow you to work both inside and outside.

**Limited stock available! Act now to purchase your forklift.**
