

Toyota Electric Pallet Jacks In Stock

Order now, before they're gone!

Smooth to operate and easy to maintain, the Toyota Electric Walkie Pallet Jack moves up to 4,500 lb on pallets. Maneuver and steer in tight spaces with zero strain thanks to its easy steering system and creep function. Plus, charge them up in a standard 110v wall outlet, no special equipment required.

Last Chance for Section 179

Purchase new or used equipment now to save on your 2022 taxes

To receive a \$1,080,000 deduction, equipment must be purchased and placed into service by December 31, 2022. To maximize your deduction, meet the 2022 \$2,700,000 spending cap. This provision also allows for a 100% bonus depreciation.

This information should not be considered tax advice. Consult your tax advisor or the IRS for additional information.
