## Special Deal on Heli G Series Electric Forklift

### Perfect for both indoor and outdoor jobs

Lift and move pallets wherever the job requires with this electric forklift, featuring zero direct emissions, 5,000 lb capacity, and tall 185" mast height. Plus, precisely place loads with its side shifter that allows the operator to move the fork laterally. Powered by a 48 volt LIB battery, a 48 volt charger is included in the price!

**In stock now – Act fast to take advantage of this deal!**

## Keep Out Warehouse Bugs and Pests

We can help!

At JIT, we offer a lot more than just forklifts. When the weather warms up, many warehouses tend to keep doors and windows open to bring in fresh air. The problem is, critters and insects can find their way inside too. Use our bug, bird, and rodent barriers to bring the fresh air in and keep the pests out!
